

We're excited to welcome you to the [AIMA Global Investor Forum](#) in just two weeks! Here are some important updates and [what to expect](#) as the event approaches:

Conference app - Opening on October 1

The **AIMA Global Investor Forum app** allows attendees to:

- view the event details
- connect with conference delegates
- schedule one-one-one meetings

The app is expected to launch on **October 1** so please keep an eye out for the joining instructions. This is also where delegates can sign up on October 8 for **Meet the Allocator Roundtables** chats (*occurring October 16 at 8:00 am*). Stay tuned for the official announcement for that as well.

The **Meet the Allocator** roundtables are small group sessions of 8 delegates at a roundtable for moderated Q&A with allocators and investment consultants to learn practical insights about their manager research and allocation process. For the full list of allocator roundtables, please check out the agenda [here](#).

Ahead of the app launch, you can download a list of participating firms [here](#).

Advise of any changes to your attendance:
