

Join Auspice Capital – Canada's Leading Active Commodity & CTA Manager

Auspice Capital is expanding. As the largest active commodity and CTA manager in Canada, we continue to grow across both institutional and retail channels. Following the successful launch of new institutional mandates in our Commodity Evolution portfolios and our expanding cash-efficient return stacking solutions, we are seeking to add talented professionals to our team.

We are seeking entrepreneurial, driven individuals passionate about innovative investment solutions that serve both retail and institutional clients across Canada and the U.S.

Why Auspice?

We are a pioneering Canadian fund manager operating across both retail and institutional channels. With deep relationships across Canada and the U.S., we offer a rare opportunity to be part of a team reshaping access to commodity and CTA strategies.

Location:

Roles may be based in Calgary, Toronto, or Montreal, with flexibility. You will work closely with the experienced Auspice team and our partners at Direxion, CI Global Asset Management, and Walter Global Asset Management.

Roles:

(1) Director of National Distribution -

Auspice is looking for an experienced sales professional with leadership experience and a proven track record of sales growth (7 years minimum experience) to support upcoming liquid alternative access for our core funds. This is a cross-Canada opportunity to lead the campaign and this retail channel at Auspice leveraging our 18-year track record, rapid asset growth, retail and institutional partnerships in Canada and the US, and extensive collateral materials and research. This individual will be a confident and independent salesperson who is comfortable in an entrepreneurial setting, working alongside industry leaders who are very proud of the Auspice brand. Institutional experience and relationships would be considered an asset.

(2) Business Development Manager (Retail)

Auspice is looking for a wholesaler that builds upon their existing relationships, supporting retail capital raising for our 81-102 Fund products in Canada. This role could be focused in Western Canada or Eastern Canada.

(3) Business Development Associate

Auspice is looking for an Inside Sales professional to support the efforts of senior business development, product specialists, and retail-facing team members. This role will help maintain materials, coordinate meetings and events, and open new doors we haven't yet walked through.

About Auspice

Auspice is a Calgary based quantitative fund manager and registered CTA (Commodity Trading Advisor under NFA; registered as an Exempt Market Dealer, Commodity Trade Manager, Investment Fund Manager, and Portfolio Manager in Canada). Auspice specializes in applying systematic investment strategies to commodity and financial futures markets. We have achieved significant growth in recent years with firm AUM at approximately \$800mm. We believe we are still in the early days of our growth trajectory and are seeking a key leadership hire to help shape our next chapter.

Auspice is intensely creative and entrepreneurial, having pioneered a number of firsts including products in the ETF space and innovative 81-102 liquid alternative mutual fund exemptions.

Innovation, entrepreneurialism, and not accepting the status quo in product, delivery mechanism, or regulatory category is in our DNA.

Our branding and messaging are important as we develop content in the form of research, blogs, and thought leadership continuously.

To apply, send your resume and a maximum 1-page introduction identifying relevant skills and experience to info@auspicecapital.com. Please include the job category you are applying for in the subject of the email.
